Cambodia as of yesterday extended the lockdowns Phnom Penh and Takhmao City in Kandal province for another week to May 5, 2021.

Our Penanshin Cambodia staffs will still continue to work from home and but as mentioned previously do expect delays on your shipments to and from Cambodia. As some transactions in Cambodia will be postponed due to the lockdown.

2. Ex Cambodia to Singapore service will temporarily be suspended and will resume after the 5th of May 2021.

Our office will continue to monitor the situation and provide updates if there are any changes to the situation. Kindly have this circulated to your respective team and clients.
