2. Criteria of DG Cargo for Transshipment cargo via Singapore subject to following points:

- a) **Only PSA GRP 2S** and **PSA GRP 3** cargo is only allowed on groupage containers to all destinations via Singapore.
- b) The PM4 submitted to carriers at origin port must be confirmed and accepted by origin carrier as either PSA GRP 2S or PSA GRP 3 and a copy of the approved PM4 to be provided with pre-alert documents to our office.
- c) POL must check DG acceptance & surcharge with our office prior to loading in order to avoid non acceptance of DG by POD due to cases where lower flash point and/or quantity of DG items leads to the rejection of your DG shipment.

3. All DG surcharge at destination will be on for the account of consignee.

Kindly be guided accordingly.

Yours Sincerely,

Management of Penanshin Shipping
